

VERENIGING BUYSHAVEN

Car Park Regulations

Car park

- The fenced car park with a car gate and pedestrian entrance has room for 160 vehicles and will remain closed.
- Only berth holders with a key can access the car park.
- The car park is subject to the 'Harbour Management Regulations.'

Keys

- Berth holders can obtain a key from the harbour master, for which a €50 deposit will be payable.
- The key shall remain the property of Buyshaven and holders are responsible for the key they have received.
- When cancelling the berth, the key must be returned within one month, following which the deposit will be refunded.
- Loss of a key must be reported to the harbour master without delay.

Please note

- Do not block the closing mechanism of the car gate and pedestrian entrance to keep them open. This could lead to damage and enable unauthorised people to gain access to the site.
- Only one car at a time can pass through the car gate.
- Luggage trolleys must not be taken off site.

Special circumstances

- We kindly ask you to notify the harbour master without delay whenever the gates and fences are damaged and/or not working properly.
